EDUCATION

Georgia Institute of Technology

Aug. 2022 – May 2024

Master of Science in Computer Science – Computing Systems Specialization, **GPA: 4.0/4.0**

Atlanta, Georgia

Indian Institute of Information Technology, D&M, Jabalpur

Aug. 2016 – Jun. 2020

Bachelor of Technology in Computer Science & Engineering, (**Gold Medalist**), **GPA: 9.4/10**

Jabalpur, India

Other Awards: Academic Proficiency Medal (CSE), **JENESYS Scholarship**, Director's Medal in Games & Sports

INDUSTRIAL EXPERIENCE

Apple Inc.

Jul. 2024 – Present, May 2023 – Dec. 2023

Software Engineer

Cupertino, CA

- Built **automation systems** across multiple **RF technologies** (Bluetooth, NFC, WiFi, Cellular) for factory production build verification, enabling seamless integration and quality assurance across global manufacturing operations
- Pioneered **AI-driven automation** for integrating radiation control quality test data, accelerating cross-team approvals and reducing manual review cycles by enabling intelligent data aggregation and analysis from thousands of test reports
- Managed **cross-functional team of 50+ developers** across multiple timezones, coordinating offshore engineering resources, overseeing tool development lifecycles, and ensuring deliverables align with Apple's quality standards
- Spearheaded entire **application lifecycle** of a **budget tool** for R&D funds, improving forecasting accuracy and reducing manual tracking errors
- Developed a **reusable backend template** with authentication, notifications, theming, and role-based access control, accelerating development of new team apps by **40%**
- Engineered migration scripts for **seamless data transitions** between application versions, ensuring minimal downtime — crucial for frequent system upgrades

Zolo Property Solutions

Sep. 2020 – Jul. 2022

Software Development Engineer (Backend)

Bangalore, India

- Translated business requirements into **distributed systems** by developing scalable REST APIs via event-driven microservices, enabling reliable operations for 50,000+ tenants
- Integrated multiple **third-party payment methods** to ensure tenant flexibility and uninterrupted revenue flow, improving user experience and operational resilience
- Wrote Python scripts for **data migration** and cleaning between MongoDB and MySQL across services — critical for frequent system upgrades in a growing startup
- Led **intern mentorship program** on backend development and microservices best practices

Highlighted Projects:

- Automated **legal paperwork** for tenant move-ins, saving **~20,000** papers monthly and reducing human errors
- Integrated **remunerative features** under tight COVID constraints, boosting monthly revenue by over **\$10,000** and ensuring uninterrupted tenant operations
- Architected a nationwide COVID supplies **distribution platform**, tracking inventory, stock transfers, and tenant handouts across 200+ properties
- Designed a **personalized roommate recommendation system**, reducing compatibility complaints by **70%** and improving resident satisfaction

Oracle

May 2019 – Nov. 2019

Software Engineer Intern

Bangalore, India

- Architected a **generalized automation platform** for Retail Cloud Applications, enabling post-release validations across multiple production systems and reducing QA cycles
- Enabled **concurrent selenium script execution** with custom reporting, automated data extraction, and multi-customer testing, cutting manual testing time by 90% and saving 200+ engineering hours monthly

IIT Bombay | Fundamental Research Group (FRG) | [github](#)

May 2018 – Jul. 2018

Project Intern, Ekalavya Summer Internship' 18, **Prof. DB Phatak**

Mumbai, India

- Ideated and implemented a **real-time notification system** for Collaborative-Communities portal, enabling instant user updates and improving engagement by 35% across 10,000+ active users
- Adhered to Test Driven Development by implementing unit & integration tests to verify the correctness of the code | [github](#)

ACADEMIC EXPERIENCE

Georgia Tech.

Jan. 2024 – May 2024, Jan 2023 – May. 2023

Head TA, CSE 6242: Data & Visual Analytics

Atlanta, GA

- Led and mentored 8-member TA team across two semesters, coordinating workload distribution, facilitating communication between campus and online (OMSCS) instructors, and ensuring consistent course delivery quality
- Managed full course operations for 300+ students including content preparation, assessment design, project presentations, grading workflows, and student support, maintaining 95%+ student satisfaction ratings

Georgia Tech.

Nov. 2022 – Dec 2022

Graduate Assistant, Wellness Empowerment Center

Atlanta, GA

- Led wellness programs by coordinating workshops/events, managing targeted social media outreach, and streamlining wellness resource operations for the student community

Indo-Japanese Student Exchange Program

Dec. 2018

Indian Ambassador, Jenesys 2018: Science & Technology

Tokyo, JP

- Selected as 1 of 20 students nationwide for fully-funded Japan–India Exchange Scholarship (Science & Technology category) sponsored by Ministry of Foreign Affairs, Japan, representing India’s top STEM talent
- Served as Cultural and Technology Ambassador, delivering high-impact presentations to MOFA leadership and engaging with premier institutions including JAXA, top universities, science museums, and cultural organizations
- Drove bilateral knowledge exchange by presenting comprehensive technological and cultural insights upon return, strengthening India-Japan collaborative relationships in STEM fields

TECHNICAL SKILLS

Languages: Java, Python, SQL, C++, HTML/CSS

Databases: PostgreSQL, MongoDB, Neo4j, Elastic Search

Frameworks: Spring Boot, Reactive Spring, JPA/Hibernate, Django, React, Flask, ActiveMQ, Redis, Rest Assured, JUnit

Cloud & Deployment: Gitlab CI/CD, Serverless Deployment, AWS: Lambdas, API Gateway, S3, EventBridge

ACHIEVEMENTS & LEADERSHIP

2024	Atlanta	Head Teaching Assistant, CSE 6242: Data & Visual Analytics, Georgia Tech (2 semesters)
2021	Jabalpur	University Gold Medal, IIITDM Jabalpur, ranking 1 st out of 400 students
2021	Jabalpur	Academic Proficiency Medal (CSE), IIITDM Jabalpur, ranking 1 st out of 600 students
2021	Jabalpur	Director’s Medal for Games & Sports, IIITDM Jabalpur, ranking 1 st out of 100 students
2019	Bangalore	Oracle Certificate of Appreciation, recognized among ~100 interns
2018	Tokyo	Indo-Japanese Ambassador, JENESYS 2018 – 1 of 20 nationwide (Science & Tech)
2018	Mumbai	Ekalavya Internship, IIT Bombay – selected as 1 of 70 students nationwide
